

Dining at Spring Village at Dover

Breakfast

Breakfast is from 7am to 10am and is served as ordered. With that being said, if mom or dad wants oatmeal one morning and then French toast the next, we are able to accommodate.

Lunch

Lunch is at noon and is our bigger hot meal.

Dinner

Dinner is at 5pm, this meal is a smaller cold meal to help our residents smoothly transition into the night.

Dessert

Dessert is served with lunch and dinner: whoopie pies, apple cake, fresh fruit, sugar free dessert, ice cream, etc.

Other Options

There are always other lunch and dinner options if our resident does not want what they originally ordered: Chicken salad sandwich, ham and cheese sandwich, cheeseburger, etc.

Lastly, there is soup and salad available with lunch and dinner.
