

# FIRST AID/EVACUATION PLAN

The First Aid station is situated near the main spectator entrance. In case of an accident or injury, please go to the First Aid station and notify a volunteer, event staff member or on-site paramedic, providing details of the injury or illness. Assistance will be provided.

For your safety, in the event of a thunderstorm or lightning, a horn will sound to signal an evacuation of the course. All fans **must** evacuate the course by bus at admissions, to transport you to your vehicles at the Midland County Fairgrounds parking areas. Please refer to the leaderboard at Hole 18 for additional instructions. Event staff will be stationed throughout the course to provide assistance. To stay informed during an evacuation, please check the tournament website and social media pages for real-time updates. Your safety is our top priority.
